Your contract of insurance

Precontractual information

A. The **insurers**, as well as the contracting party of the policyholder (referred to as: "policyholder"), are the participating Lloyd's **insurers** jointly referred to as Lloyd's of London (referred to as: "**insurers**"), with as their registered office respectively address as follows, and with the following legal form:

Lloyd's:	Lloyd's insurers , London
Head office in:	London / Great Britain One Lime Street London EC3M 7HA Great Britain
Swiss Branch:	Seefeldstrasse 7 8008 Zürich Switzerland
Legal form:	Association of individual insurers

B. The insurance contract has been entered into with the cooperation of Lloyd's brokers. These are insurance intermediaries within the meaning of Swiss legislation who are not tied to a particular **insurer** (i.e. they are independent).

C. Swiss law shall apply to this insurance contract. The **schedule** the quote respectively, the insurance **policy**, the conditions of the contract and the applicable legislation, in particular the Insurance Contract Act (**ICA**), shall form the basis of this insurance contract.

In accordance with the Swiss Federal Law on Insurance Contracts (hereinafter "VVG"), the insurers' questions asked in connection with the insurance application must be answered truthfully in writing or in another form that allows proof by text. A breach of this obligation may lead to the termination of the insurance contract and the loss of the insurance claim, whereby breaches of obligation committed before 31 December 2005 are judged under the stricter law applicable to the policyholder or insured person before 1 January 2006 (withdrawal from the contract, forfeiture of the premium).

D. The insured risks and the scope of the insurance coverage shall be as shown in the **schedule**, the quote respectively the **policy**, as well as the General Conditions of Insurance (AVB). The policyholder is therefore expressly asked and urged to read through the following information carefully.

E. The amount of the premium will depend on the risks insured under the insurance contract and on the desired scope of the insurance coverage. For further details on the premium and any charges, please refer to the **schedule**, the quote respectively the **policy**. If the contract is cancelled before the expiry of a fixed insurance period agreed upon by the contracting parties, the **insurers** shall be under an obligation to reimburse the share of the premium which corresponds to the period of unexpired risk. There shall be no reimbursement of premium however if (1) the **insurers** have paid out the insurance benefit as the result of the cessation of the risk or if (2) the **insurers** have paid out the insurance benefit for partial loss or damage and the policyholder cancels the contract during the first year of the same.

F. The **policyholder** may revoke his application to conclude the insurance contract or the declaration of acceptance thereof within 14 days from the date of application or acceptance of the insurance contract by the **policyholder** in writing or in another form that allows proof by text.

Precontractual information

The insurance contract shall incept on the date indicated in the **schedule**, in the quote respectively in the **policy**. The insurance contract is concluded for the duration specified in this **schedule** or in the quote. Insurance contracts with a fixed term and with no renewal clause terminate by implication on the date stipulated in the **schedule**, in the quote respectively in the **policy**. The policyholder may furthermore terminate the insurance contract by giving notice in writing or in another form that allows proof by text, within the period for giving notice agreed upon in the **policy**. If the contract is not cancelled, it shall be tacitly renewed pursuant to the agreed renewal clause in each case for a further year.

The policyholder may give notice in writing or in another form that allows proof by text, furthermore after every insured event for which benefit is payable, and this no later than 14 days after becoming aware of the payment of the benefit by the **insurers**.

The **insurers** may terminate the contract by giving notice in writing or in another form that allows proof by text, within the period for giving notice agreed upon in the **policy**. The **insurers** may cancel the contract after every insured event for which benefit is payable by them, provided notice of cancellation is given no later than the date on which the benefit to be paid by the **insurers** is paid. The insurers may cancel the contract furthermore if at the time of the conclusion of the insurance the policyholder failed to disclose relevant facts relating to the risks or misinformed the **insurers** about such risks; the right of cancellation shall cease to exist 4 weeks after learning of the breach of the duty of disclosure.

The **insurers** may rescind and thereby terminate the insurance contract if the policyholder is in arrears with the payment of the premium, has been sent a reminder, and if the **insurers** have waived their right to claim the premium. The **insurers** may withdraw if despite a final deadline being fixed in writing in writing or in another form that allows proof by text, the policyholder fails to discharge his obligation to cooperate with the investigation into the facts and circumstances or in case the policyholder acts fraudulently in substantiating his claim.

The list of possible circumstances in which the contract may be terminated is not definitive. Further termination possibilities may be inferred from the conditions of the contract, and from the statutory provisions of the **ICA**.

G. In connection with the processing of the insurance contract, two data files will be set up by Lloyd's (client data and claims data). The client data shall serve to document whether insurance exists at Lloyd's. The claims data shall be used for claims handling. The data recipients are the respective Lloyd's brokers and the **insurers**, and possibly additionally in the event of a claim the loss adjusters office appointed by the **insurers**, and where necessary the Swiss Lloyd's UVG Claims Office. The data may be passed on to other third parties only with the consent of the party concerned or by virtue of a law. The data shall be preserved in part electronically and in part on paper, and shall be destroyed after ten years.

The policyholder shall give his consent and thereby expressly authorise the **insurers** to process the data pursuant to the above that is necessary for checking the **proposal**, processing the contract, or for claims settlement purposes.

To the extent that a **broker** or intermediary acts on behalf of the policyholder, the **insurers** shall be authorised to disclose client data to the former, such as for example data on the processing of the contract, premium collections, and claim developments. The above consent respectively authorisation applies irrespective of how the contract came into being. The policyholder shall be entitled to request from the **insurers** and their general representatives such information on the processing of data concerning them as is provided for by law. Consent to the data processing may be withdrawn at any time.

Important information regarding your policy

This **policy**, the **schedule** and any **endorsement** should be read together and form the contract of insurance between **you** and **your insurer**. In return for the payment of the premium (and any tax payable thereon) by **you**, **we** will provide insurance in accordance with the **policy** for those sections shown in **your schedule** in respect of events happening during the **period of insurance**.

When **you** receive the **policy** it is important that **you** read it and the **schedule** carefully to make sure that it meets **your** requirements and needs. The **policy** is arranged in different sections. It is important that:

Section 1 – Buildings

How we deal with your claim

If **your** claim is covered under Section 1 **we**, subject to the exclusions, limitations and conditions of the **policy**, will pay:

- The full cost of repair, replacement or rebuilding following an insured event subject to the work being carried out. However, **we** will not provide any contribution, allowance or consideration for the cost of extending improving or refurbishing any part of the **buildings** or tenant's improvements
- If the **building** is not rebuilt within 24 months in the same borough, to the original size and for the same purpose, the replacement value may not exceed the market value. This shall equally apply whenever the reconstruction is not carried out by the **insured**, his successor in title or anyone who at the time of the claim had a legal claim to the acquisition of the **building**. The market value is the amount which would have been obtained from the sale of the **building** without land had it been sold at the time of the claim. The indemnity is limited by the **buildings sum insured** stated on **your schedule**.
- Reasonable and necessary costs incurred for architects, surveyors, consulting engineers, design engineers and legal fees incurred with our prior agreement to assist in the repair or reinstatement of the **buildings**.
- The cost incurred to clear the site and make safe provided agreement has been given by **us** unless immediate work is required to prevent further damage.
- Costs incurred to comply with government or local authority requirements provided that:
 - a) The **buildings** were originally constructed according to any government and local authority regulations in force at the time; and
 - b) you received notice of the existing requirement or regulation after the damage giving rise to the claim occurred.
- In case of a partial loss, the maximum we shall reimburse is the costs of the repair
- To the extent that loss minimisation costs, when added to the indemnity, exceed the **sum insured**, we shall only agree to pay these if they were ordered by us.

We will not pay:

- For any reduction in value of the **buildings** insured following repair or replacement paid for under this insurance.
- The cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set or suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.
- **We** shall not take into account any sentimental value.

Limit of settlement

We will pay no more than the **sum insured** for each **premises** shown on **your schedule** or up to any other limitation stated within the **policy**.

Excess

After arriving at a claims settlement **we** will deduct the applicable **excess** before paying **your** claim. If **your** claim relates to an incident of loss or damage that falls for consideration under more than one section of this **policy** it is the highest applicable **excess** that will be deducted from the total settlement.

Natural perils – Limit of indemnity only

Article 176 of the Supervisory Order (AVO) provides for a reduction in the indemnity in case of major events (indemnity limited any one policyholder to CHF 25 million, any one overall event to CHF 1'000 million). Indemnities payable for damage to goods and chattels shall not be aggregated with those payable for damage to **buildings**. Losses which are separate in time and space shall constitute one event whenever they are attributable to the same atmospheric or tectonic cause.

Section 1– Buildings

How we deal with your claim

Natural perils – Deductible only

In case of the insurance of **buildings** used exclusively for residential and agricultural purposes: 10 percent of the indemnity, subject to a minimum of CHF 1'000 and a maximum of CHF 10'000;

In case of the insurance of **buildings** serving any other purpose: 10 percent of the indemnity, subject to a minimum of CHF 2'500 and a maximum of CHF 50'000;

The **excess** is in each case deducted once per event for insurances of goods and chattels and of **buildings**. Where an event affects several of the policyholder's **buildings** for which provision is made for a different **excess** in each case, then the **excess** shall be a minimum of CHF 2'500 and a maximum of CHF 50'000.

Underinsurance

If **you** are under-insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your sum insured** for the **buildings**, then **we** will only pay a proportion of the claim. This will not apply if **your sum insured** represents at least 80% of the rebuilding cost of **your home**. In case of under insurance, **we** pay in every case only a proportion of the claim if the damage results from a **natural peril**. An example of the effect of this clause would be if **your sum insured** only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.

Section 2 – Contents

The following cover applies only if your schedule shows that it is included and is subject to the **excess** stated , on your **schedule** or by **endorsement**. We will insure the **contents** in the **home**, or anywhere in the world while temporarily removed (no more than 90 consecutive days), for incidents occurring during the period of insurance but subject to the exclusions, limitations and conditions of the **policy**.
